Carlos,

The San Jacinto PRPs are asking for 60 days instead of 30 days to do the revised FS; there will be a lot of work involved as well as having some back & forth on the new waste pit alternative. Lets discuss next week.

Thanks.

Gary – As we discussed in our call, please see the attached letter regarding the schedule for providing a revised subject feasibility study. Hard copies of the letter are being sent by overnight delivery. Please don't hesitate to contact me if you would like to discuss anything.

Thank you,  
David Keith
